

Liability Waiver for Recreational Hiking Activities

I, _____, understand and acknowledge that hiking can be a hazardous activity that carries the risk of injury or death. I have voluntarily chosen to participate in the Echo Mountain hike (March 24, 2023) and/or the Arroyo Seco trail walk (March 26, 2023) organized by the HR1981 Class Reunion Planning Committee and agree to assume all risks associated with these recreational activities.

I acknowledge that the hike organizers, guides, volunteers, and other participants are not responsible for any injury, loss, or damage to myself or my property that may occur during these activities. I agree to release and hold harmless the hike organizers, guides, volunteers, and other participants from any liability for any claims, damages, expenses, or losses that I may incur as a result of my participation in these activities.

I certify that I am physically fit to participate in these recreational activities and have no medical conditions that would prevent me from doing so. I agree to follow all safety instructions and guidelines provided by the hike organizers and guides and to use caution and good judgment during the hikes.

I understand that this liability waiver is binding and that I am giving up certain legal rights by signing it. I acknowledge that I have read and understand the terms of this waiver and sign it voluntarily.
